

Jesse Lee Little

February 6, 1979 - October 14, 2021

We are mourning the loss of The one and only, Jesse Lee Little. Jesse was the son of Jesse "Popcorn" Becton and Pamela Little. He was one of 4 distinctive siblings. Jermaine, Terrence (TL), and the youngest, Monique were all raised in this very community...."The Tribe." Jesse, being the most charismatic of all of the siblings, was an educated man. He received his Associate's Degree from Mitchell College and then graduated from Western Connecticut State University with his Bachelor's Degree in

Criminal Justice. Always one to help the community, Jesse co-founded the Washington Park Hoops Program in New Britain, CT. In his own way, Jesse has left behind a legacy of giving, true friendship, achievement, and community service. Always cooler than the other side of the pillow, Jesse was a friend, a brother, and he was our hero. NEVER EVER WILL HE BE FORGOTTEN.

“ *Jesse "Big Jess" as we used to call him in Mitchell College. He was one of the most giving, friendly, fun to be around and out going people that i met when i first got on campus at Mitchell College. Big Jess was so chill and relax no matter the situation. I remember after one of our home game a couple of us girls from the basketball team at Mitchell would go up to Jess dorm and we would chill after a game and he would always be the life of the party and keep us laughing for hours. Wow still can't believe this. Big Jess your body may be gone but your spirit will for ever live on.....Mitchell College Class of "1999".....Until we meet again* ”

“ *He was such a Sweetheart in College
He was always running the scoreboard table at the men's and women's basketball ball games and intramural games too :) He would support all sports as I remember seeing him in the stands at our soccer games too
He always was so kind and sweet and will be missed
Hugs Prayers and Love to his Family and Friends as I feel I was one of those friends from back in the Mitchell Days
See you on the other side Jess* 💙💙
