“ *Jessie was a God fearing man who always shared stories about his love for his mother and the Christian values she taught him. He also often described how much he loved his children and grandchildren.*

*Even when he was upset he would help anyone, like all of us he had challenges, but Jessie was a kind gentle man. He also had a wonderful sense of humor, he had a special way of making you laugh at his recount of a particular situation.*

*I pray that Jessie is resting peacefully with our Lord and Savior Jesus Christ and that God sends his comforter to provide the peace and love of God to all his family and friends.*
