“ *A Tribute To My Friend/Teammate Joe Liptrot.*

*I went to high school with "Joe Liptrot", as I would always call him. "What's happening Franco" he would answer. You see he was one of the few people at Hillhouse who inspired me. How? He played a major role on both the football and track teams, not as a participant, but as a person helping in any way he could. He was truly a person who got the most out of his abilities. Proving that he belonged. We all respected and loved him and could count on him to say or do something that would bring life to lockroom or on the field. It has been over 30 years since we have talked, but his wit and friendliness I never forgot. I don't know the circumstances of his transitioning, but know my friend and teammate is in a better place.*

*Rest In Paradise, Joe Liptrot!*

*To the family, "Earth hath no sorrow that heaven can't heal!" I am very sorry for your loss.*
