“ To the Carmichael Family, I just want you all to know Johnny was a Dear Friend for over 50yrs. Him, Billy and Frankie growing up in Oriental Gardens and my Family in Brookside, the Carmichaels were known for Sports and Singing, especially Gospel. They were able to do both equally but Johnny was the ball player with that shot sweet as sugar. That shot was his backhand in baseball and that gun for an arm at shortstop and all he hit was line drives! He was the best player I've ever played with by far  
I'll miss him
