“ *Your Dad, Grandfather and to Many a friend~  
Ohhh, How joyous and free Devon must be...  
You, me, we are left with cherished memories. His path our paths  
were never meant to walk alone.  
Devon grew wings and heaven, is now home.  
Try not to think there's nothing left of him to own.  
Dry your eyes...  
Look deep inside...  
know that what the two of you shared will allways be yours to own.  
B'Cuz your Dad, Grandfather and to many a friend~has grown  
beautiful wings and through the doors of Heaven has been ushered  
In~*
