“ *To my friend Keasha I am going to miss you. Time never played apart with us for whenever we caught up it seemed like we never missed a beat! To know you was to love you! We were 2 peas in a pod from Softball, cheerleading and to band! Heaven just got a real life angel because you were one of a kind! I can't say goodbye because that means I will never see you again. So it's farewell my friend; I will see you again. I prayed and told my mom to receive you with open arms since she now has gained an angel of a neice! Love you always Jazzerae*
