“ *Keiron was the cutest baby ever, he was the youngest of his mom's four children. He had such a cute smile. I remember him playing with the family doggy "BUGSY" with such innocence. He was a happy kid. We were blessed to have known him. His memory will forever live on. Love you. Prayers and strength to the family ❤️*

“ *He was so young when i met him. Such a happy spirit. So sad to hear of this..gone way to soon. To his family i will be praying for you all. No parent should have to endure the loss of a child. I'm sure he is looking down on us by his grandmothers side (Barbara) and will be guiding his family like no other angel would. Although its difficult today to see beyond the sorrow, may looking bak in memory help comfort you tomorrow. My sincere condolences.*
