“ My though and prayers are with his family, What a wonderful man god blessed us with for a short time. I was a client of Kelvin's at DMV he was great to work with and always had the answer if did he didn't he found out what it was. When I found out of his passing tears filled my eyes as I sat down in disbelief, I just said to myself only the good die young. He was a very helpful and honest person. I will truly miss him.
