“ *Kenajah, it hurts my heart to know that you are no longer with us. What a joy and pleasure it was to see you every time I came to preach at St. Mary's....you and the young people always made me feel warm and welcomed and your presence will surely be missed when I go now.*

To her family, church family and friends....please know that I am earnestly praying for you all and you have my deepest sympathy and condolences. From my church and my family to yours, we love you!!

“ *Nijah was like a daughter to my wife and I. She loved church and she loved God. She was special and she faced her life trusting God. There was nothing she could ask for that I wasn't there for her. I will miss our daily conversation her laughter and above all her beautiful face, personality and smile.*
