

Kerry McIntosh

April 15, 1955 - March 1, 2024

West Haven- Kerry Allan McIntosh Sr aka Sam, 68, unexpectedly entered into heaven on March 1, 2024.

Kerry was born April 15, 1955 in Waterbury, Connecticut. He was born to the union of the late Nelson L. McIntosh Jr. and Dorothy (Little) McIntosh. Kerry was a devout firefighter for the city of Waterbury where he worked until the year 1999 before retiring. Kerry started a family with former wife Martha (Parker) Carter, where birth was given to two sons, Kerry Jr and Marcus McIntosh. Kerry enjoyed spending time with his family, listening to his music with his various speakers and entertainment systems, riding his bike, and most importantly drinking his Pepsi soda.

For the past 11 years Kerry was almost inseparable from his longtime girlfriend Linda Martin. This became his extended family. They celebrated numerous family reunions, birthdays and BBQ's where you could find Kerry in the backyard playing with the nieces, nephews and grandchildren. Kerry was a big kid at heart and never sat still. Whether it was manning the grill, tossing the ball in the yard or walking around listening to his music with his wireless headphones, Kerry was always on the go.

Besides his parents, Kerry is predeceased by brothers Nelson (Eric) McIntosh, and Lincoln Carson Jr. He is survived by one sibling Cheryl (McIntosh) Wright, his four sons, Rubyn Davis, Kerry McIntosh Jr, Marcus

McIntosh, and Evan Smith, a grandson Jahmere McIntosh, and a handful of nieces, nephews, cousins and a host of friends.

Although unexpected Kerry reached out to so many family members that he hadn't spoken to within days of passing. Kerry was proud of his grandson Jahmere and looked forward to attending his high school graduation. Kerry's passing has left such a profound void in the lives of many.
