“ *The ultimate compliment a person can have is the admiration and respect of your peers. I had the pleasure of playing baseball with Kwesi when we were young. There wasn't anything he could not do on the field. He was the ultimate leader and competitor. I was honored to be your catcher and teammate. There wasn't anyone you couldn't beat. Always the man. Always a hero. Much respect and love. Pride. Poise. Patience.*

Rest In Peace.

“ My sincerest condolences to the Rollins and Vereen family. Kwesi was a great man that I had the pleasure of growing up with in the village. He was an exceptional athlete and a even better person. I will never forget our little league baseball team EIS that we played on together. He was the only reason I gave baseball the time of day. He was a leader and always had a smile on his face. He will never be forgotten. Rest in eternal peace Kwesi!!!

“ *The news of Kwesi’s passing is heartbreaking. My thoughts and prayers to all his friends and family. I had the honor of being a baseball teammate of Kwesi’s for both the Firefighters and the Police and knew him to be a dedicated, intense athlete one minute and the first guy to have the dugout buckled over in laughter the next. It was an honor and a privilege to know him. He was one of the coolest human beings I’ve ever met.*

Rest easy, Kwesi.

“ *The best memory I have is recently. I was doing dinners and when my brother went home he told me he was proud of me and what I was doing and that meant everything to me. Pleasing him is next to impossible but him giving me his blessings is the encouragement I need. I miss him and will always keep him alive.* ”
