“ Dear Green Family,
I am so sorry for your loss. I first met Lauren when I was interviewing for the store mgr position at Dots, she was ringing out a customer when I walked in, all I could see was her big smile. Then we starting working together and became friends. We would celebrate birthdays, Christmas, and the birth of Andrew. I have so many memories of Lauren being a kind, caring and funny person that I treasure forever. Miss You Lauren ! Angie(Dots)
