May God bless you. Larry can now rest peacefully and watch over you. Please wipe away the tears because we all know Larry wouldn't want you to be mourning, he would want you to smile like he always did. We all have very good memories of him. I always saw him smiling and laughing. He's now a special angel in our hearts.

“ I would like to send my deepest sympathy to you all during this difficult time. As his teacher and friend, I got to know Larry well and even though I have cried many tears since last Wednesday, I am glad to know that we no longer have to worry about him because he is watching over us now. I will continue to pray for his eternal peace and for his entire family.

Larry gave me a picture of him with his father at a banquet. As much as I would like to cherish this picture, I am sure that someone in the family may want it. Feel free to contact me.
