“ *To Beverly, Diane, and Gerry, I am so, so sorry to hear of your mom's passing. It's so uncanny that I was having a moment just last week and thought of all the fun we use to have on Rockcreek Road, your mom's red rice, down to those crazy little chicks you all got one Easter. :) I have nothing but fond memories of her and us while growing up. I pray that she remains in God's loving light during and after her journey home and that you all in time find peace and comfort with her passing. I'm sending you and your family lots of love and hopes for much peace and many blessings. Sincerely, Carolyn*

“ Girls, I am so sorry to hear about Prinnie's death. She was my mentor and my guide in my early part of my career. She was a good friend and a second mom to me. I am sorry we loss track over the years.

Diane, Beverly and Gerry, my prayers and thoughts are with you all. Moms are hard to lose, I loss mine 4 years ago. There is not a day I don't pick up the phone to start to call her, but it is a good feeling I get, not sad. They brought us into the world, helped us through it. We honor them each day with how are lives play out. As time goes on it will get better with the loss, but good and happy memories are the comfort to us.

*Much love and prayers,
Marg*
