“ To the family of Lequan you have my sincere condolences. I did not know him personally but I know he died to young and parents shouldn't have the bury there child at any age but better days are coming because of our God and his son Jesus-John 3:16 And when that day comes all worries will have passed-Rev.21:3,4 But for the moment at least we know that Lequan is feeling nothing of harm and his memory is with our loving God.Ecl.9:5
