“ Having met Leroy in New Haven, CT in the 1960's then realizing we were both from the same county in Georgia (Burke) invoked in us a strong relationship. Leroy was the kind of guy that you treasured to be a friend with. He will be greatly missed and as I have said to Lil, I will keep in touch with you.

“ It is with a bit of disbelief that I am writing this note of sympathy. Leroy and I did not speak to each other often, but when we talked, we caught up. It was the time of his demise that I was looking through my rolodex and there was his card. I pulled it aside saying I would call, it was too late. Memories of Leroy will last with me forever.
