“ *To The McCleave family: Words cant express how i feel about losing an endearing child hood friend. Lester, Monty, Enrique, were best friends back in the late 80's thru early 90's. Especially me and Man.(his old nickname) Lester and I used to fight one day and be friends the next. He was truely a Brother to me and my lil brother Darcel. We had good times in my back yard flipping on old mattresses like we were gymnists and play basketball in back of Monty and Enriques back yard. I love and miss them dearly. They're in Gods warm embrace and will NEVER be forgotten. My deepest sympathies and condolenses go out to the mcCleave family. May God bless You all. Much love from Byron 'Banner' Nixon*

“ If stairs could build a stairway and memories were a lane,  
There are many that would walk right up to heaven and bring you  
back again.

No farewell words were spoken, no time to say goodbye,  
You were gone before we knew it and only God knows why!

So many hearts ache with sorrow and so many tears will flow,  
What it meant to lose you, no one will ever know.

But we all know you want us to mourn for you no more,  
To remember all the happy times life still has much in store.

Since you will NEVER be forgotten, we pledge here to you today,  
A hallow place within our hearts is where you will ALWAYS stay!!!

L.P. and I will miss you always!!!

“ I would like to send my condolences out to Bam's entire family. This young man was truly a friend to me. Such a gentleman. He made me laugh everytime I saw him. I enjoyed making plates for him whenever he asked. Boy did he love to eat. You raised a respectful and loving young man and I am really sad to see him go. He was also a very loving father as well. I will definately miss his laughter . He always found a way to smile or make someone else smile. My prayers are with you always. TAAASH (in Bam's voice)
