“ *Nelson has been in my Mom's life and my life for many years it is with great sadness to see him go. We do know however that he will rest in Peace because he lived a good life!*

“ *Greetings,*
I was deeply saddened to learn of Lewis' (June) transition. May you find comfort in the words from Psalm 34:18, "The Lord is near to the brokenhearted; and saves those crushed in spirit." My thoughts and prayers are with you during this time of sorrow.
With love and care,
Rev. Constance Nelson Barnes

“ *To My Dearest Cousin Nicholl: We have been through the storms. We would spend countless hours together as young girls never understood one day these times would come. But I know both you and Nera will be forever filled by the love and joy of daddys girls. I maybe many miles away but my heart and prayers will be of God peace and comfort rest on the family. Forever Love cousin Sheila, Nigel, Jaaz and Daja.*
