“ *Cynt and Shaina,*

*May you be comforted by knowing that you were there for and with your mom and grandmother. I sat behind Sis. Snipes for many years and loved her for who she was. We all knew not to mess with her and if you were in her seat when she came, all knew to move down a seat or too. Those that didn't know got that look! LOL!!!!*

*I'm so thankful that Sis. Snipes was one of our honorees last March. I NEVER saw her smile as much as she did that day. She really enjoyed it and was great to see all of you there!*

*I will miss her spunk and tenacity, but am rejoicing that she is now really wearing her Silver Crown of Glory!*

*Love you both very much,  
Tracey*
