I'm so use to seeing you everyday and calling you, it'll be so hard knowing I can't do that ever again. I know you're proud of me for all my accomplishments. Thank you ma for everything. I love you always.*

To my Family:

I am sorry for your loss Mama J was a loving and giving person. Her presence on this earth will leave a void in our lives, but know that she loved each of us in a special way and she is at peace with the Lord now. No more suffering and no more pain.

To my son Ty I love you very much and thank you for being there at the time that she needed you most. Remember that she told you before you left that she would be okay. She's in no more pain.

I love you all and I am praying that the Lord will strengthen you all.
