“ I will always love and miss Lily. I met her when I joined Friendship Baptist Church many, many, years ago. We had many laughs together and enjoyed each other's company. She's one of my greatest friends and always will carry her in my heart. I'm praying for her family that they may get through this and that God will give you His strength to get through this. Love all of you and I pray God's blessing over all of you. I can truly say Lily loved her family and church family. She enjoyed her life and I was honored to be a part of it. May God bless all of you.
