“ I send this message to the family of Linda. She was a playmate of mine when we were little in Johnstown, PA. and although we left the area in the early 70's we continued to periodically see each other and call one another and talk about the old times on Bedford Street. Sorry I could not reach Linda in the prior weeks but she decided to transition to a better place. I have plans to drive and meet all of you on Tuesday. Just have to say goodbye to a childhood friend.

“ My friend Linda will never be forgotten. She had such a loving warm and kind heart. Especially with my children. She would bring all sorts of toys and little treats to church when Nia was a little girl and always asked about Ashleigh and James JR. She kept us laughing in choir rehearsal and church. Linda always spoke her mind and I always respected her for that. Fly around heaven all day Linda!
