“ *“When this passing world is done...” I knew Lloyd for over 10 yrs. He was my customer when I worked for Citizens Bank. It was always a delight chit-chatting with him. He had such an infectious laughter and both of us could sit, talk and laugh for as long as we were able. And what a hard worker he was! I remember asking him if he ever took a vacation. I have lost a wonderful friend. May he rest in peace.*

Awww I just found out about Loyd's passing away. I worked with him at the PO and he was always a bright spot when I saw him. Never seen him without a smile or something good to say. Very sorry for your loss.

“ Lyndora and family, I'm so sorry for your loss. I was incredibly saddened to hear about Lloyd passing. He was a great guy, he was a gentlemen and a kind person. We became close friends while working in the post office. He was indeed loved and respected. I believe everyone who work with Lloyd has a fond memory. We kept In touch after we both retired, I always looked forward to seeing him every Friday while I work on the cupcake truck . I'm sure every time I get together with fellow retirees his name will come up and we'll share a story. Again I'm deeply sorry. I feel like I lost a Brother, I for one will never forget such a great man . Michael (Dewey)DePonte.
