*My condolences to you Eleanor, the children and all the family. “Buddy” and my brother became fast friends through the years as neighbors. They just hung out and blessed each other with good fellowship and good adventures. There was always a wave and a smile when one crossed Buddy’s path. We are ever grateful for his presence as neighbor and friend.  
May God’s grace and your best memories bring comfort.  
Prayers and comfort to you
