

Louise Credle

September 14, 1940 - June 9, 2024

Louise (Boatwright) Credle left us on June 9, 2024, suddenly at the Hospital of Yale St. Raphael Campus. She was born September 14, 1940 to the late Sip and Carrie Boatwright in Thomson, GA.

Louise moved to Long Island, New York in the late 1960's where she met and married the late William E. Credle. She later relocated to New Haven, CT where several of her siblings were already residing. Louise loved being among family.

She worked for more than 60 years as a private duty nurse. Louise loved to cook, her children loved her famous mac and cheese on Thanksgiving. She loved going to the Casino. She also collected bells. Louise had a collection of 100 or more bells made of crystal, porcelain, brass, etc. from different states and countries.

Louise loved to dance at family functions such as birthday parties, cookouts or fish fries. You'd find her dancing to music doing her famous two fingers in the air dance. She also loved for her sister Marie to bake her favorite lemon cake for her.

Louise is survived by her three daughters, all of New Haven, Veronica (Knolton) Hill, Laverne (Elias) White and Odessa (Elroy) Brown; six siblings,

Eunice Boatwright, Montese Poole of New Haven, Marie Boatwright, Virginia Moncrief of Hamden, CT and Ned (Delores) Boatwright of Atlanta, GA; along with a host of grands, great-grands, and great great-grands.

Louse will be sorely missed. She is preceded in death by her grandson, Sean K. Hill; great-grandson, Trequon K. Lawrence; and her great great-granddaughter, Thea Lawrence.

“ Mommy today as our families gather together to say goodbye I chose to say well. I know that your resting now God didn't prolong your suffering. As your child I wanted you to healed and spend more years with us, but God called you home. Time Mommy is a Gift from God ,our Time here in this life is unknown. Your time 83 year were a blessing. Rest well now I Love you.
