“ To the family of Louise & Ben Joiner, you have my heart felt sympathy, I will always remember Louise and her great spirit. We were both patient care providers and often worked the same shift. She was one of the most giving and loving person's I have known; and very professional. She and her sister Mae Soar made a special effort to keep in contact with me even when I moved away. I will miss her so much, but as Christians we believe to be absent from the body is to be with the Lord.

“ Paul L. Joiner and family were so very sorry to hear this sad news. As we could not be there, we certainly want all of you to know that we are keeping your family in prayer and offer our support in the event that we can do anything further to assist you during what we know is a very difficult and heartfelt time.
