“ My Aunt Louise was full of life and lived it to the fullest! She had the ability to make you feel loved and welcomed even if she was meeting you for the first time. She absolutely loved and served the Lord with her life! She was the first person to introduce me to the Lord Jesus Christ as a child by bringing me to church with her and for that I am most grateful. Though I know for sure she is with the Lord it is hard not to cry because I will miss her and that beautifully unique voice and laugh. She embodied the spirit of love and that is what I will remember most about my Aunt “Ant” Louise.
With all my love,
Alexis S. Tremble
