“ *I am sorry I could not be there at the celebration home going for the great Luea Myers. She was a woman who loved God, her husband, her children, and her church. I remember her most with her cooking--she would make two banana puddings because on didn't like bananas in it and her cake would be frosted chocolate the other side vanilla because; all the children didn't like one or the other. Mrs. Myers would put so much love in her cooking because of her family. Blessing on the family--I know God is giving you the comfort you need to get through.*

“ My condolences to you with passing of a great woman, mother, grandmother, and great grandmother. Ms Luea was and will remain an inspiration to me, she consistently provided love, and caring for all, willing to make a sacrifice for others. Growing up in Faith Baptist, and seeing how she provided love, guidance, and leadership by example, as Christ tells us was powerful. Her example, her love will continue to live through you all, and me as it has. Family, you will remain in my prayers, seeking the comfort of Christ. Remember through Christ we will see Ms Luea again, and the celebration, and praise to our Lord and Savior will never end!!

Love you
