“ My sincere condolences to the Watts' family during your time of loss. I had the pleasure of seeing Lustell at our 30th Class Reunion in August of 2010. He was in great spirits and we the Class of '80 had an INCREDIBLE time recollecting memoirs of yesteryear. We laughed and teased him and reminded him he never paid us any mind...lol....he found that to be very funny and it tickled him in a way that his smile radiated from the inside out. I'll never forget him, it was a pleasure having known him and I will continue to uplift his family in my prayers....God Bless.....Sherell Roberson....Class of '80

“ I am sorry for your loss. I went to school with Lustell and lost touch with him. I saw him a couple of years ago when I was home for my mother's funeral. As always he has a quick smile. He will be missed for the joy he brought and the gentleman he was. I will always remember him
