“ Linda was my best friends from early childhood. We lived in the same project building 120 Canal Street. My family moved to California in 1964. We had many adventures that got us in trouble with our moms. We arrived home past our curfew and the echoes between buildings every one heard and the mothers came downstairs and chased us upstairs. The Isat time we spoke she had joined the Eastern Star. Doing very well. I'm sorry that we didn't stay in touch. My condolences to the family. She is truly missed. Her childhood bestie Mary Daughter of Sister. 🤔
