“ I could just remember his wonderful smile and how he used to just want black tea with 3 sugars and a two pieces of toast and 3 little strips of bacon. He loved his kids unconditionally. He wanted them to have the best in life. Im gonna miss my marky so much and i wish i had talked to him just one more time. To know him was to love him and i do so much. Dear God you really got an angel and i know it. Has these tears flow i just wanna say my prayers will continue to be with his family
