“ From The Gore' Family,

I would like offer my condolences to Dr Tonia, Phyllis and the entire family. Your mother was a jewel. We loved her dearly. I was blessed to call her "momma". I will keep the fond memories of her until we meet again. May the God of all comfort hold and uphold you and your families during your time of bereavement. Our hearts will ache at times for her physical presence, that's natural, but we know it only a matter of time when we see her again in Glory. This will be wonderful and marvelous. Jesus has her now and we are grateful. See you later Momma Spivey.....

Shalom
