“ *I am so very sadden by this news. I knew you as a small boy and it seem so unfair that you are gone so soon. I have not asked God why because I know that he has something else planned for you. It is said that the good ones die young and based on what I know and have heard you were a good one. May the good Lord bless your family during this time of bereavement and may you rest in peace. So long Marquis, So long!!!*

“ *Powerhouse Ministries would like to express our deepest sympathy to the family of Marquise. We all loved him! He was a wonderful young man who loved and cared for his family. We will fondly remember him as he shared and worked in different aspects of the Youth Ministry at our church. We will continue to pray for the family ... but we know that he knew Christ in a very personal way.*

May God Bless You all.

“ We never would have thought that something like this would have happened to him so early in his life. We thank you for embracing us with open arms and hopefully he can protect his daughter from above. He will always be in my heart and mind, and he will be loved. Things happen for a reason and we will never understand why. We can only support each other and be positive with this tragedy. We love you.

“ It has been the hardest thing to try and get thru the night since you left. Everyone says Azaria was God's gift that we prayed for but now you will never get to see her grow. She will love you in her heart and you will never be forgotten by me. Please be her angel and watch over her day and night. I wish it didn't end like this. Your family has been great and we love them. You will always be in my heart and we will always have Vegas.

“ To the bereaved family: I am so sorry to read of the loss of your loved one. I pray that God will comfort and support you all during this time of sorrow. May you find comfort from God's words in the Bible at Psalms 34:18. "HE" is near the brokenhearted and crushed in spirit.
