I enjoyed talking with her at the end of the school day when she would pick up her grandchildren from KR school. “ To Nicole and family, I am so sorry for your loss. Your mom, grandma, sister, aunt cousin, etc. was as sweet as she could be. We talked often, as we both worked for Sargent Mfg. Co. for many years. We stood at the time clock laughing and talking, waiting to punch out. I know she loved her family. May God bless you in this difficult time. May He bring you all peace, as He will. Her wonderful memories will forever live in each one of you. God bless her family.

“ *Mary & I have been friends for many years. We would talk in the phone every week. We would go to the stores in the early morning to buy Lysol & wipes when there was a shortage. I met her amazing husband John years before I met Mary. His mom & I were neighbors on Winchester Ave. she always had that beautiful smile on her face. Whenever Mary & John came to church, they didn't come alone, the grands were with them. I am truly going to miss our phone calls. I miss her so much already. To the girls & John, I am here for you. She will forever be in my heart.*

“ *To the family of Mary Green,*

*Our family was so saddened to hear of her illness and then her passing. We will all miss her beautiful smile, waving to us from her back deck while yelling "hey neighbor", her amazing spirit and sincere kindness. Mary looked out for her neighbors during the height of the COVID pandemic and was an amazing "block watch" participant.*

*Mary never failed to share her love for her family. She was a true gem.*

*We will miss you Mary.*
