

Maude Benefield

March 25, 1939 - April 12, 2020

Maude Benefield was many things during her time here with us. She touched many souls in ways you wouldn't believe. She was a loving grandmother and great grandmother, a friend, and a mother (even to those who she didn't carry) She made sure everyone got everything they ever wanted and needed. She was there for people in their time of need and always knew how to make a person feel just right, whether it was joking, or just giving you one of which would be the best talks ever. She made it her duty to make everyone feel welcomed and loved especially the ones who felt anything but that. As her physicality is no longer with us, her presence will forever remain with those whom kept her close to their hearts. A beautiful soul has been sent to paradise after making a wonderful mark on this world.
