“ I knew Maurice Richardson from the Adelbrook program.... We spent days, nights and overnights with Maurice on Jordan house. He always made us laugh, loved basketball and was never any trouble at all. We processed with Maurice when his brother Nathan Richardson passed away.... I can't believe such a fine bright young gentleman is gone.... I don't know what happen, but even if I did my love for this kid would never change..... You will be deeply missed.... Gone too soon... This was my baby and I always told him if I could adopt you I would.... I know as a family your hurting, but he was loved by all of you and by us the staff that worked with him..... This is definitely a blow to the heart..... We love you Moe..... S.I.P.
