Our prayers are with you and your family during this time of mourning. May God comfort you and shine His face upon you. Mauriel was a blessing to all, and leaves smiles on the faces of all who met him. This is not the end for him it is only the beginning. He is now with God our Father and has his home in heaven where he has his wings. No more tears, no more pain, no more sorrow and no more death. Remember, he is always with you, in your heart, thoughts and memories. One day you will see him again. God bless you!
