“ *I remember my first time going to Ms. Maxine's home for a barbecue that I was invited to by her granddaughter Colette ,it was crowded then, as I was sitting down she came over and sat near me and she just started talking to me and right then and there I felt at home and I felt welcomed not to mention she was so funny and she wasn't nothing to play with she was the truth and so full of wisdom but at the same time so welcoming, every since then every time I saw her granddaughter who is like a sister to me I would always ask about her grandmother Ms Maxine,,💖🙏 may she forever rest peacefully with God now I know I have a wonderful guardian angel watching over all of us until God calls us all home continue to rest with God Ms Maxine until we meet again*
