“ *I remember being kids playing a game called the b game. You couldn't say a word starting with the letter B. I was talking and I guess I was saying words that start with the letter B. Mike smacked the taste out of my mouth him and his brother Marquis. I didn't know whether to cry or not I said ok I quit. He so no you gotta be tough I'm gonna make you tough you can't be know wimp. As we got older every time I seen Mike I reminded him about that smack we would laugh and laugh about it. Rest in paradise Mike B*
