“ Michael I will always love you and miss you. You were my everything. Words can't describe the heart break I am going through now. I miss you so much. I know I meant the world to you as well. I always told you that nothing showed me how much you love me than the day you surprised me and etched a tattoo of my name over your heart, so as you lay and rest I will forever be close to you and always near your heart. You bought me so much joy. I will hold on to your smile and laughter. I love you and always will. ❤️❤️❤️❤️❤️❤️

“ This is Mark Robison. I was a sales rep for Nestle DSD out of North Haven. Mike was one of my drivers delivering product to various accounts. He was a very happy go lucky type of guy that seemed to take everything in stride. I'm so sorry to hear of his passing. My thoughts & prayers go out to his family & friends. RIP Mike

“ Mike, Today Mikai made Captain of his High School Football team...I see your big smile. Nobody can ever take away what we had together..our special private moments. We laughed so much....that's one of the qualities I absolutely loved about you...your laughter. We made the most amazing son together. I will FOREVER raise him in your honor knowing you want the best for our Mikai...your "MiniMe". We shared some very special times together.. You and the family that was only ours will forever remain in my heart. We love you...Mikai will make you forever proud.
