“ *First, I would like to give my deepest condolence to the Jackson's family. You were like my older brother I never had; then you became my prayer partner. You gave me the name Ms. Lady because you said I had class. You are the only person who could call me Ms. Lady & make it sound so fancy. Words can't express how hurt I am. Even though I'm sad about your departure I know God makes no mistakes. I know in my hearts of hearts; you are much happier being with Pop, your King; & Charlie. You will be greatly missed much love my brother; rest peacefully.*

“ To my sister Lula , I am so sorry for the loss of your two sons Mike and Charles. (My nephews) they meant so much to me. When our family members hurt we all hurt. May God bring you, our family and all the the lives they touched comfort, peace, strenght and acceptance of His will and Lord/God please lift the burden from our shoulders to yours and carry it for us during this difficult season and bind us all together with love for we never know when it our day. (Meantime if you need me I am here for you and so is your Collins family)....
