“ mike it's a couple days from a year and you still live in my heart i sometimes cry still cause it's real out here but i found a real friend and his name jesus and he holds me down when no one else is there i hope you watch over us you know the crew and your new lil cuz keep us covered from all the bad things that try to come at us i miss you dearly. john 14:1-3 let not your heart be troubled ye believe in god,believe also in me.In my fathers house are many mansions:if it were not so,I would have told you. I go to prepare a place for you.And if i go prepare a place for you,I will come again,and recieve you unto myself;that where i am,there ye maybe also.So to all mike's fam believe and god will set you free from all pain.john 10:10 the thief (satan) cometh not, but for to steal,and kill,and to destroy;l am (jesus)come that they might have life, and that they might have it more abundantly.Therefore don't worry yourself let god set you free .
