“ Poem for my beloved:

*To Those Whom I Love & Those Who Love Me...
When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.*

*So grieve for me a while, if grieve you must,
Then let your grief be comforted by trust.
It is only for a while that we must part,
So treasure the memories within your heart.*

*I won't be far away for life goes on.
And if you need me, call and I will come.*

*Though you can't see or touch me, I will be near.
And if you listen with your heart, you'll hear,
All my love around you is soft and clear.*

*And then, when you come this way alone,
I'll greet you with a smile and a 'Welcome Home.*

I love you so much, cousin. You are my cousin but you were more like my brother, and I will forever love and miss you! I'll keep your bedroom ready for the boys when they come to visit Daryl and me in North Carolina!

“ To Michael (my Mr. “Yo” cause he said “YO” after everything he said 🤔) was such a happy/joyful blessing to have around. We grew up together, went to school together, you was super close with my son father that you became Sean god-father and been active since he was a baby. I remember when you never thought you would have kids. You use to always joke about it and became the greatest father of all times! We are going to miss you dearly Mike 😭 I can't believe I'm writing this 😭 forever in our hearts this one hurts! LongLive The man of every work hour Michael 🥺🥺🥺 I can't grasp Tomorrow is the final physical goodbye! It's been hard dealing with such a close death...it hurts writing this Mike hearing the news I cringed...I screamed bro this can't be right 😭 God has you now and I know you have a great job in heaven beside him 🙏 I love you Mike! I will always cherish our memories and Sean will never forget or replace his forever god-father! Thank you for everything you've done bro 😎 we love you 😭 🥺 I'll never forget how you scream my nick name that I couldn't stand and you would say 'shut up yo' 🤔 forever your black @\$\$! 😭

You had your own room at our home and it'll forever be yours. Nori and Nas will have cousin/uncle Dee & cousin/auntie Crystal to help look out for them until it's our turn to see you again. We Love you eternally bro.
