“ I am so heartbroken to find that Michele has passed. She was such a beautiful person and I loved working with her at the Milford S&S. Her and I worked the early morning shift and we would sing songs together. I would sing "Slip Away" and then she would join me and we both be singing to make our job more fun. We both talked about our families and I felt like I knew her three daughters, Melissa, Melinda and Melony even though I never met them. I went to see Michele at her home maybe in 2019 and it was nice to see her again. I send my prayers and my condolences to her husband, Richard, her daughters and the rest of Michele's family. I'm sure she is terribly missed. RIP Michele. Joann Mackewich.

Mother Atterberry was a champion for the Lord. Her smiling face will be surely missed. The atmosphere when she arrived anywhere felt like you were in the presence of the Lord. I will miss her and her words, "hi my angel." She was a true woman of God. Her legacy is through her daughters, beautiful women that they are, the apples did not fall far from that tree. She will always have a special place in my heart. To the family, I love you all and may the Lord God keep you and bless you.
