“ I wish to send my condolences to the family, I was shocked and grieve stricken when I heard about this tragedy. I remember meeting Miketo when he was only 7yrs old. He was an adorable and well mannered young man. I saw him about 2 months ago after a a few yrs. and wasn't a bit surprised at how handsome and grown he was, and still the polite well mannered young man I knew. Trust in God. The pain with ease, remember the goodtimes. May God be with you all.
