“ I have lots of memories with/of 'Eddie' one of my first true blue friends after moving to Webster St. New Haven from N. Carolina at a very young age (Eddie's family was on Winter St.). I was saddened to learn of his recent passing.

*There was a time we could share almost anything together. We were that close. Memories of those early days still remain, mostly good.*

*To Priscilla, their children, grandchildren etc, family and friends I know your loss is great and cannot be replaced, but for what it's worth "...whatsoever things are true, whatsoever things are honest, whatsoever things are just..., think on these things..." Philip.4:5-(\*8)9.*

*God Bless You One And All,*
