“ *Sharing thoughts of you Dennis you were the son of three the baby brother of my aunt's tribute you passed on and I know your mother awaits you I believe in your latter years you made your peace with Almighty God it's hard to run when you know the right way I know you had a foundation built on strength your mom took me to be prophesized over when I was 11 amazingly so I amaze the church that day I will never forget it your a spirit of wisdom you often smiled and shared kind words I hoping the angels will brush upon your entrance today you will be laid rest but forever in our hearts love your cousin kim*
