“ *The Spears Family*

My deepest condolences in the passing of Nancy, I remember Nancy from when we lived next door to each other in Eastern Circle for many years. She was truly a nice person and always had a kind word to say.

“ May God bless you Richard and your family, no one know the hurt and lost that accures when a loved one is lost. But my bible tells me that we should look to the hills in which cometh our help and our help comes from the lord! I will continue to be praying for you and your family, as always. Brothers for life.
