“ My deepest condolences to Nathan's family. Im truly sorry for your loss. He was one of the good guys and my buddy in high school..so friendly, and funny. Everyone always thought we were related because we have the same last name but we arent. He married his beautiful wife and I git a kick out of the fact she has my same first name...could never have too many Rhonda Dixon's. So to the Dixon family stay strong, cherish those wonderful memories and find joy when you think about him. Yeah, he was one of the good guys.

“ Nathan provided a calm, gentle presence, and a wisdom beyond his years while we attended Eli Whitney Technical High School. It does surprise me that he was dabbling in performance and acting. Surely he would light up any production lucky enough to have him--such warmth, humor, and loving spirit for life. Thinking of you all during this time of such loss. Only love.

My father fooled me n told me we were just taking a ride.. well I ended up at Disney on ice with front row seats.. just me and my daddy.. It's the only memory I can recall being so young.. I'll never forget it!!!*
