“ *Ola, you will truly be missed. Ola was such a happy, funny, and loving person. To know her was to love her. Her love for her family was so evident because she talked about them with love all the time. She always shared pictures of her grandchildren which would put the biggest smile on her face. I will forever remember and hold Ola in my heart. To her family I pray for God to give you the strength, comfort, and peace you need to get through this time of sorrow.*
